Let's Pray

Lord Jesus,
Help me grow more aware
of your life-giving presence,
so that my attitude
and words and actions
may better reflect yours.

Enable me to live in such a way today
that others may see you in me.

Amen.

ATAR

Australian Tertiary Admission Rank

1.

The ATAR is the standard measure of overall school achievement used in all other Australian States and Territories.

2.

It is a rank indicating a student's position overall relative to other students.

3.

The ATAR is expressed on a 2000-point scale from 99.95 (highest) down to 0, in increments of 0.05.

ATAR

Australian Tertiary Admission Rank

4.

ATARs below 30 will be reported as '30.00 or less'.

5.

To be ATAR-eligible, students must receive a "C" in General English/General Literature/Essential English.

6.

English will only count towards ATAR if it is one of the student's best five subject results.

NOTE: General English/General Literature are prerequisites for many University courses.

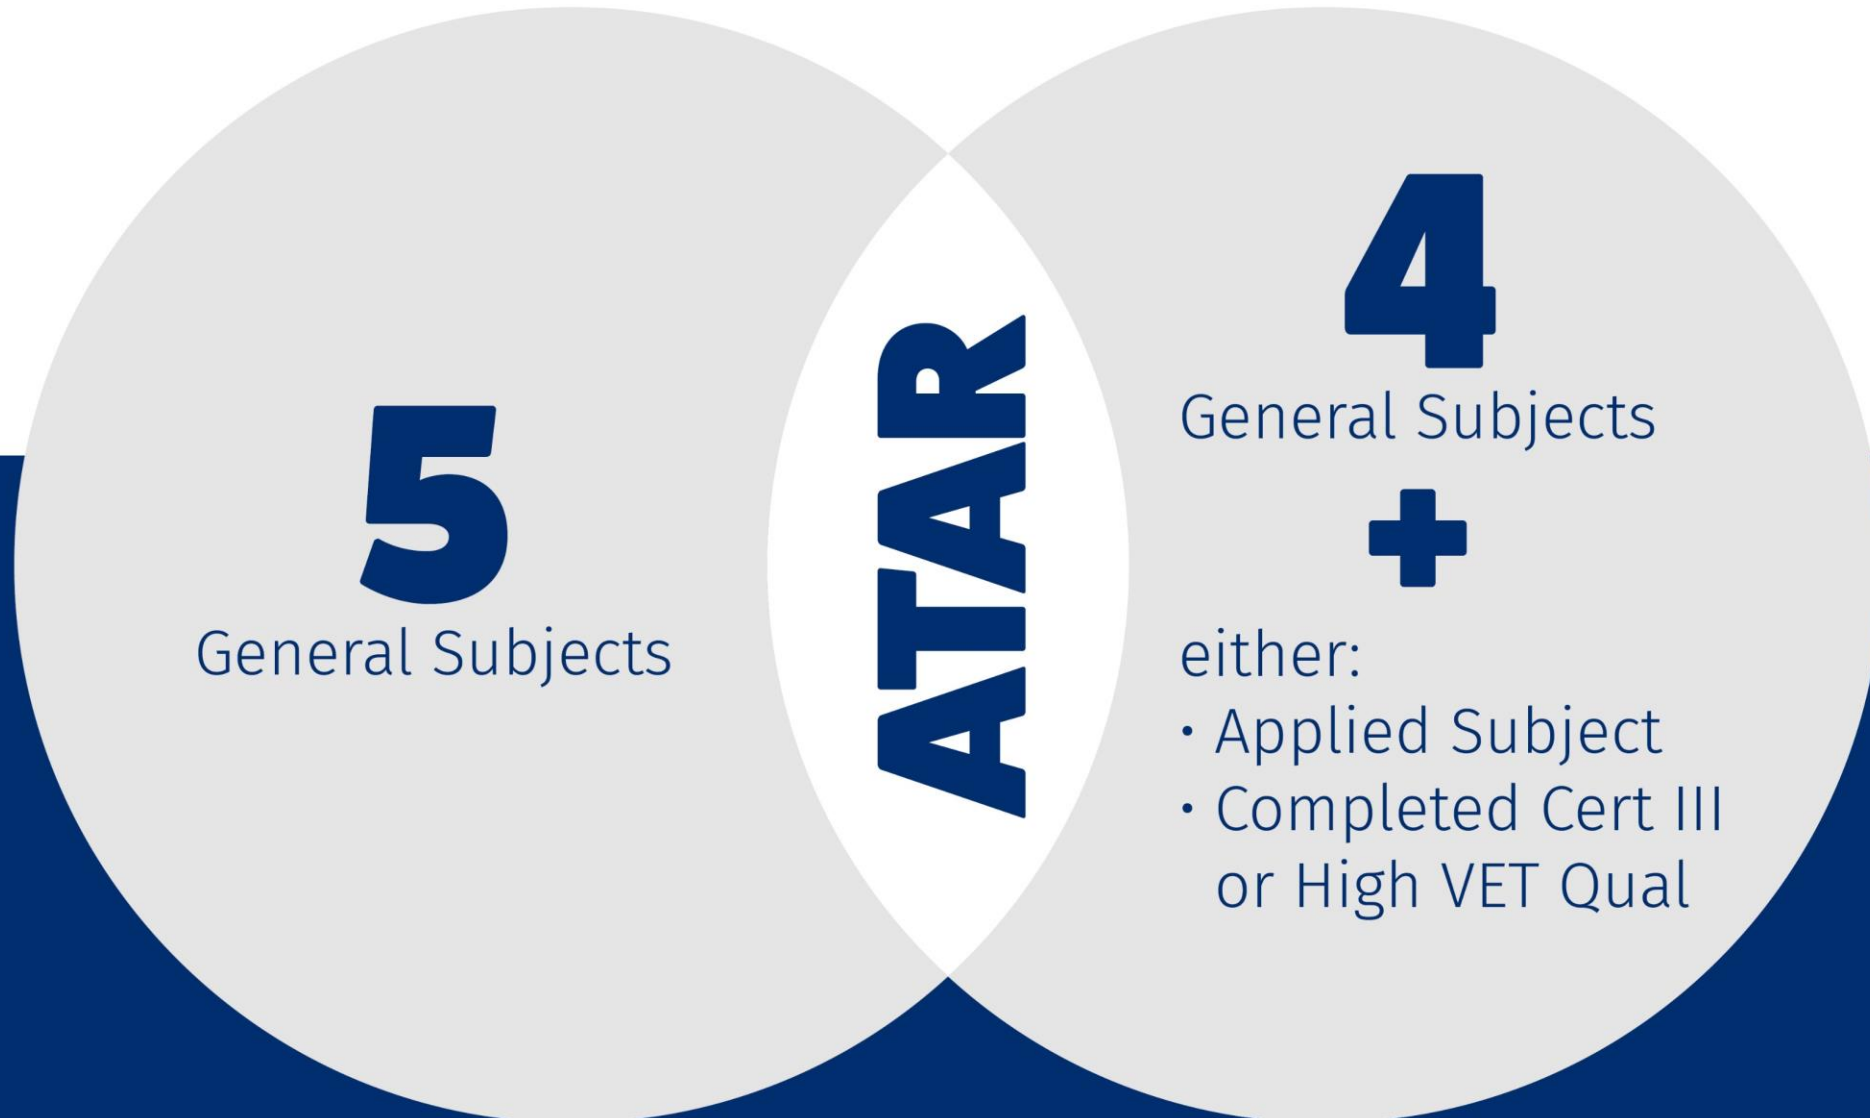

ATAR Calculation

ATARs calculated from best 5 subject results, one of which may be:

- A VET Certificate III or above
- An Applied Subject

Eligibility

How will VET be included in the ATAR?

Each VET qualification level will have a **single** scaled score that can be included in the student's ATAR.

A scaled score for a Cert IV will be higher than a Cert III.

VET for Tertiary Entrance

Completed VET courses will still be used for tertiary education in two ways:

1. VET incorporation into ATAR

and/or

2. VET as the basis of admission
(Universities will provide this information)

amendments and Variable Progression Rates.

where a student may qualify for a new ATAR after their first ATAR is in their year 12 studies. This factsheet provides information to guide students in the following: Variable Progression Rate students; re-entry students doing additional subjects; repeating subjects and ATAR amendments. The factsheet also explains how to have more than one valid ATAR when applying for courses.

Students may be eligible for a new ATAR from multiple attempts at doing additional subjects including repeating subjects. This is dependent on the student's subject selections and meeting the requirements for accumulating results towards a new ATAR.

WHAT DOES THIS MEAN?

Students who have completed year 12 and whose QCE subject results do not meet the ATAR eligibility criteria (vet) will receive a result of "ATAR ineligible" when ATAR results are released at the end of the year.

Note: The QCE Application Customer Declaration requires applicants to declare all attempts at study. This includes all ATAR attempts. Applicants also need to be successful at institution rules about which ATAR rule to accept for a particular program of study e.g. the highest or the most recent.

CALCULATING THE ATAR IN QUEENSLAND

TECHNICAL DOCUMENT – Version 1.2

July 2020
Queensland Tertiary Admissions Centre Ltd

From 2020, Queensland Year 11 and 12 students will be eligible for the Australian Tertiary Admission Rank (ATAR).

WHAT IS THE ATAR?

Across Australia, the ATAR is a standard measure of a student's overall academic achievement in relation to that of other students. It is intended to assist tertiary institutions in selecting applicants into their courses.

The ATAR is a percentile rank, not a mark. This rank indicates a student's position relative to other students in their age group in any given year. It's expressed as a number on a 2000-point scale from 99.95 down to 0.00 in steps of 0.05. An ATAR of 80.00 does not mean a student got 80%. It indicates that the student placed in the top 20% of students in Queensland in their Year 12 age group.

WHO CALCULATES AND RELEASES THE ATAR?

Responsibility for calculating and issuing the ATAR has been assigned to the Queensland Tertiary Admissions Centre (QTAC) on behalf of Queensland tertiary institutions. QTAC administers the application and offer process for tertiary institutions in Queensland (and a few institutions interstate) and has over four decades of experience in tertiary admissions.

For more information call us on 1300 467 822 or visit qtac.edu.au or email atar@qtac.edu.au

Stewardship

The Cathedral College encourages all students to be contributing citizens within the community.

Each student pledges two hours of their own time per term to complete activities that help the wider community = 1 day per year.

Students record their hours electronically.
